MESSAGE

October 01, 2018

A heartiest congratulations and best wishes to the entire AMAND family on this memorable 7th AGM cum Annual Cultural Evening.

Thounaojam Pakasana Singh
President, AMAND, Pune

Pune is a home away from home to all the beloved brothers and sisters of Manipur and their families who are residing in this wonderful city. A fast growing city like Pune, with livability index at No. 1, has been a favourite destination among professionals and students from Manipur in pursuit of their job and education. It has always been exciting as well as challenging for most of us living in Pune. Excitement in terms of the opportunities and potentials one can explore in this global city, and challenging in terms of the differences in language, food and culture.

AMAND, Pune has, therefore, found a way out for all the Manipuris residing in and around Pune that has inculcated a sense of bonhomie among the Manipuri community by bringing all of us together, and by bringing our community food and culture right at the city in a harmonious manner without undermining the rich culture of Pune. AMAND has come a long way in setting up a healthy relationship between the educational institutions, Police department, other social NGOs and legal aid services of Pune on one side with people of Manipur on the other side. Furthermore we are happy to work towards helping the weaker sections of the society in terms of educational aid, sports, personal aid, etc. in particular and common social causes such as helping and aiding orphanage children, blood donation, tree plantation, organising cultural exchange programs, etc. in general. We are very fortunate to be a part of these noble initiatives of AMAND and happy to serve all our brothers and sisters and their families as President and General Secretary of this association for the term 2016-2018. We deeply acknowledge and sincerely thank our esteem members for entrusting upon us the responsibilities to work towards the purpose of the organisation.

Giridhar Singh Naorem
Gen. Secretary, AMAND, Pune

We believe that AMAND will strive harder towards achieving a higher level of set goals in the above mentioned initiatives in the years to come. With this hope in mind, we have given consistent effort in building AMAND into a formal non-profit registered association and streamlined our operations to a great extent. As a result of the cumulative and tireless effort of all its members, we are proud to showcase the collection of our varied activities in the form of a biannual Memoir. Today we are happy to release our 3rd memoir, AMAND Memoir 2018, which is a compilation of the activities and initiatives of AMAND in the last two years from October 2016 to Sept 2018. It is a colorful collection of memories, a treasure filled with all those priceless moments that we have celebrated here in Pune as a larger extended family. Any celebration is incomplete without a family. Therefore, not only has these celebrations helped build a stronger bond with others, but also to appreciate their own presence as well. And we' d continue working in this manner to maintain the objective we have set.

We are thankful to the Honourable Chief Minister of Manipur, Shri N Biren Singh for his encouraging message on the AMAND Memoir 2018, and our sponsors and supporters for motivating us to work harder for the society. Our sincere gratitude to the team of dedicated executives who have made this 3rd memoir possible and we once again wish the entire AMAND family a healthy, peaceful and productive year ahead.

From The Desk
Editor-in-Chief

October 06, 2018

Greetings to all the esteemed members of AMAND Pune!

It is a great honor and privilege for me to be the Editor-in-Chief of this 3rd issue of AMAND biannual publication, MEMOIR-2018. Personally, it's a matter of pride for me & considers myself fortunate to have a committed and dedicated team of Editorial Board members to work with. The progress and timely production of this memoir is mainly due to many people who are working behind the scene, overtime round the clock, designing for the best look, planning things to the smallest etc.

Nothing epitomizes it better than the evocative feelings one get when leafing through the old faded memories of the past. To enjoy every moment in life with one's near and dear ones is the only way to be happy and successful with time as there is no rewinds in life but exist only the flashbacks. This memoir is one such revered work. A lot of efforts have gone into the making of this issue by so many individuals. With a motto **"Looking Back and Going Forward"**, we have worked hard to bring up an ecstatic flashback of those activities/events organised by the Association of Manipuri Diaspora (AMAND) Pune as well as the achievements made during the period Oct 2016 - Sep, 2018. I am sure; this memoir in the form of A Snapshot at a Glance of the various activities and achievements will lead the readers travel down the lanes of memory which, in turn, will boost their morale giving rise to surge of emotions of many hues and colours.

I, on behalf of the Editorial Board as well as on my personal behalf as the Editor-in-Chief, do sincerely thank the executive body to entrust us for this challenging task. I wish to express my sincere and deep sense of gratitude to some of our senior members who provided invaluable suggestions for its improvements as well as many people whose hard work goes into the production of this issue.

Last but not the least, I would like to thank my Editorial Board members for their tireless contributions and efforts to make the memoir a reality else it would not have been the light of the day.

Dr. H. Narendra Singh
Editor-in-Chief

It's our responsibility to nurture and protect them. Academic rigors such as in-depth reading and complex problem-solving exercises will help in strengthening the knowledge on the other hand extracurricular activities allow students to pursue their interests beyond a standardised academic context. Students can also use these activities to explore interests they have never encountered as well as in exposing more diverse range of interests. Keeping these in mind, AMAND Pune has been constantly trying to encourage our youngsters for both academics excellence as well as other extra curricular activities each year under the in-house program **"AMAND Young Achievers' Award"**.
